Long Shadows

Amos Decker #7
David Baldacci

Memory man FBI agent, Amos Decker, returns in this action-packed thriller to investigate the

mysterious and brutal murder of a federal judge and her bodyguard at her home in an exclusive, gated community in Florida.

Things are changing for Decker. He's in crisis following the suicide of a close friend and receipt of a letter concerning a personal issue which could change his life forever. Together with the prospect of working with a new partner, Frederica White, Amos knows that this case will take

The Boys from Biloxi

John Grisham

For most of the last hundred years, Biloxi was known for its beaches, resorts, and seafood industry. But it had a darker side. It was also notorious for corruption and vice,

everything from gambling, prostitution, bootleg liquor, and drugs to contract killings. The vice was controlled by small cabal of mobsters, many of them rumored to be members of the Dixie Mafia.

Keith Rudy and Hugh Malco grew up in Biloxi in the sixties and were childhood friends, as well as Little League all-stars. But as teenagers, their lives took them in different directions. Keith's father became a legendary prosecutor, determined to "clean up the Coast." Hugh's father became the

all of his special skills to solve.

As darkness falls, evil comes to light . . .

Judge Julia Cummins seemingly had no enemies, and there was no forced entry to her property. Close friends and neighbours in the community apparently heard nothing, and Cummins' distraught ex-husband, Barry, and teenage son, Tyler, both have strong alibis. Decker must first find the answer to why the judge felt the need for a bodyguard, and the meaning behind the strange calling card left by the killer.

Someone has decided it's payback time.

Distant Thunder

Stone
Barrington #63
Stuart Woods

During an intense storm in Dark Harbor, Maine, a perplexing murder lands a dead man on Stone Barrington's doorstep. As secrets swirl around this mystery man's identity, Stone quickly sets out to unravel a web of cunning misdirections and lies.

Soon enough, he is embroiled in an elaborate game of cat and mouse between the CIA and nefarious foreign forces, including a bewitching new companion who comes under his protection. But when Stone's actions draw the attention of an old enemy, one who will stop at nothing to prevent the truth from getting out, Stone realizes he may have finally met his match.

“Boss” of Biloxi's criminal underground. Keith went to law school and followed in his father's footsteps. Hugh preferred the nightlife and worked in his father's clubs. The two families were headed for a showdown, one that would happen in a courtroom.

Treasure State

The Highway Quartet #6
C.J. Box

Private Investigator Cassie Dewell's business is thriving, and her latest case puts her on the hunt for a slippery con man who's disappeared somewhere in the “treasure state”. A wealthy Florida widow has accused him of absconding with her fortune, and wants Cassie to find him and get it back. The trail takes Cassie to Anaconda, Montana, a quirky former copper mining town that's the perfect place to reinvent yourself. As the case develops, Cassie begins to wonder if her client is telling her everything.

On top of that, Cassie is also working what's easily one of her strangest assignments ever. A poem that promises buried treasure to one lucky adventurer has led to a cutthroat competition and five deaths among treasure-hunters. But Cassie's client doesn't want the treasure. Instead, he claims to be the one who hid the gold and wrote the poem. And he's hired Cassie to try to find him. Between the two cases, Cassie has her hands full.

In Montana, a killer view can mean more than just the scenery, and Cassie knows much darker things hide behind the picturesque landscape of Big Sky Country. *Treasure State*, C. J. Box's highly anticipated follow-up to *The Bitterroots*, is full of more twists and turns than the switchbacks through the Anaconda Range.
