

The Paw Paw Public Library District is proud to announce a poster exhibit intitled, *The Bias Inside Us*, from the Smithsonian Traveling Exhibition Services (SITES) to be on display in the Community Center outside the library, for the month of January.

The Bias Inside Us poster exhibition from the SITES raises awareness about the science and history of bias and what people can do about it. This poster exhibit is to spark conversation and dialogue about the meaning, scientific research and real-world impact of bias.
