

# Celebrate National Library Week with a Road Trip

As the weather gets warmer you may be looking for things to do outside the home. Tending to your garden, cleaning up your yard, but what if it's too rainy to spend time outside. Well, how about visiting your library and find out where your library card can take you.

Starting April 7, libraries across LaSalle, Lee, Bureau and Putnam counties are participating in a Library Road Trip!

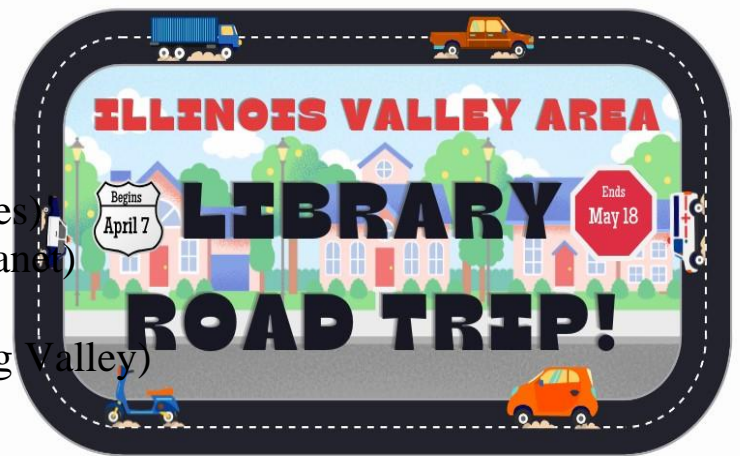

You are invited to visit your home library (no library card needed), pick up a passport and hit the road. Once you get to another library, have your passport stamped at the circulation desk and take a look around. Every library has its own specialty collection and we'd love for everyone to see and experience all Illinois Valley libraries. Have your passport stamped at as many libraries as you're comfortable visiting and return to your home library to turn in your passport. For every stamp you get you'll be entered that many times to win a prize from your home library in May.

The Road Trip will run from April 7 to May 18. Not all libraries have the same hours or rules so call or visit their website or Facebook page before heading out for your trip for the day.
